MISSION OF THE MONTH: LCCC Childcare Scholarship

The Children's Learning Center at LCCC has been providing the highest quality education and care for our community's children for over 42 years. For \$137, one child can attend the Learning Center full-time for one week. This is an incredibly affordable rate; however, many parents are unable to pay for it. Your donation this month will support tuition "scholarships" for children at the Learning Center, ensuring no child is turned away due to the inability to pay.
